

Churubusco High School

Fine Arts Department

We are thrilled to announce that the Churubusco High School Fine Arts Department will be bringing *The SpongeBob Musical* (November 10 & 11, 2023) and *12 Angry Jurors* (April 26 & 27, 2024) to the Harold Norman Stage this school year. The tradition of producing entertaining and quality entertainment continues as we celebrate 50 YEARS of musical theater at Churubusco High School!

The Churubusco High School Fine Arts theater patronage fund was established in 1975. Donations to this fund help pay for sound equipment, lighting, set pieces, storage facilities, costumes, etc. Also, a percentage of the collections go into an endowment fund held by the Community Foundation of Whitley County and a scholarship is awarded to a senior Thespian each spring. This year, patronage funds will be used to purchase new side stage curtains and valances as our current curtains are in desperate need of replacement. A new front curtain was purchased in 2022 with funds from the 45th CHS Anniversary Musical Theater Show (simply called "Harold's Show") and gifts in memory of Harold Norman. When you choose to be a patron or business sponsor, your name/business will appear in our programs for the 2023-2024 theater season. All gifts are tax-deductible.

In the fall of 2022, we began our "Lights Up!" campaign to raise \$195,000 to replace and upgrade our 40-year old stage lighting system with new LED technology. We are excited to announce that – in less than a year – we have already reached our goal and the lights are fully funded! We are extremely grateful to our alumni, family, friends, community, school, and numerous grant foundations for partnering with us and contributing generously to this campaign to ensure our students will have the best experiences possible while showcasing and developing their theatrical and musical talents at Churubusco High School.

Support from our alumni and community is crucial in bringing CHS productions to life and providing our students with experiences they will cherish for a lifetime. We appreciate contributions from our patrons and thank you for the continued support of our theater program at Churubusco High School. We look forward to seeing you at a Fine Arts production this year!

To have your patronage listed in the fall musical program, please reply by October 10, 2023.

2023/2024 CHURUBUSCO HIGH SCHOOL FINE ARTS PATRONAGE FORM
