

Churubusco High School

Fine Arts Department

We are thrilled to announce that the Churubusco High School Fine Arts Department will be bringing *Little Women* (November 14 & 15, 2025) and Shakespeare's *Macbeth* (April 24 & 25, 2026) to the Harold Norman Stage this school year. The tradition of producing entertaining and quality entertainment continues as we celebrate more than fifty years of musical theater at Churubusco High School!

The Churubusco High School Fine Arts theater patronage fund was established in 1975. Donations to this fund help pay for sound equipment, lighting, set pieces, storage facilities, costumes, etc. Also, a percentage of the collections go into an endowment fund held by the Community Foundation of Whitley County and a scholarship is awarded to a senior Thespian each spring. When you choose to be a patron or business sponsor, your name/business will appear in our programs for the 2025-2026 theater season. All gifts are tax-deductible.

We are THRILLED to share that the upgrade of LED lights in the Jason Smith Auditorium is COMPLETE! The "Lights Up!" campaign was launched in November, 2022 to raise funds to upgrade our house & stage lighting to LED. Within a year, due to generous donations from alumni, friends, community members, businesses, corporations, and numerous grants, we raised the full amount! THANK YOU to everyone who generously gave to this important project. To view photos of our new lights and their capabilities, please visit our website at www.churubuscofinearts.com.

While we are thrilled to have completed a major LED lighting upgrade in our auditorium, our work is far from finished. We are currently in the process of upgrading our sound system and plan to replace our side stage curtains and valances in the near future, ensuring that our facilities continue to grow right along with our students. Support from our alumni and community is what makes CHS productions possible and gives our students opportunities they will treasure for a lifetime.

Your gift directly impacts our ability to provide students with professional-quality productions, build their confidence, and foster their love of the arts. Every contribution, no matter the size, helps us bring these experiences to life. Thank you for considering a gift to the CHS Theater program. We look forward to welcoming you to a Fine Arts production this year and sharing the magic of live theater with you!

To have your patronage listed in the fall musical program, please reply by October 24, 2025.
